## June Newsletter

In life, there are moments that catch us off guard. Moments that test our strength and resilience. Moments that matter. At Aramjoo Law Firm, we understand the importance of being prepared for those moments. We also understand that safety is a #1 priority. Aramjoo Law Firm would like to present the ~ Red Envelope Project.

The Red Envelope Project is a simple yet powerful concept aimed at ensuring your safety and well-being in the unfortunate event of an auto accident. It involves keeping a red envelope in your car that contains vital medical information and emergency contacts. By having this information readily accessible to first responders, it informs them who to contact in the event of an emergency and it enables them to provide you with the appropriate medical attention. The Red Envelope Project emphasizes the importance of being prepared, allowing you to take control of your own safety.

### How to Participate?

Participating in the Red Envelope Project is simple. Here's what you need to do:

- Visit our office to pick up your red envelope and Emergency Contact Form for free.
- Gather Your Information: Fill out the provided medical information form and emergency contact details. Include any relevant medical conditions, allergies, medications, and instructions for healthcare providers.
- Place it in Your Car: Keep the red envelope in a prominent and easily accessible location within your vehicle, such as the glove compartment.

Spread the Word! We encourage you to share the Red Envelope Project with your family and friends. Together, we can raise awareness about the importance of being prepared for emergencies and empower individuals to take control of their safety on the roads. At Aramjoo Law Firm, we believe in proactively promoting the well-being of our clients beyond legal representation. We hope that the Red Envelope Project proves to be a valuable resource for you and your loved ones. If you have any questions or would like to learn more about the Red Envelope Project, please do not hesitate to contact our office. Our team is always ready to assist you. Stay safe, stay prepared, and remember, moments matter.

### Events

This month at the firm, we interviewed Sheriff Will Akin. Check out our Youtube to see the video. Sheriff Akin shares about safety precautions to take on the road or in the case of an accident.
