April Newsletter

Spring has sprung! We hope everyone had a great start to spring. We have really enjoyed getting outside and spending time with our families. At the office, our frisbees have arrived! In our last newsletter, we mentioned that we got these designed and they turned out awesome. We have already been having a blast playing with them and passing them out parks. Stop by our office to pick one up!

As some of you may already know, motorcycle safety is something that is very important to our firm. We recently saw a quote that stood out to us and we wanted to share it: "Teach your children to count bikes on car journeys...and then they will automatically notice them when they learn to drive". Paemon is currently at a Motorcycle Safety Training class and we are eager to hear what he has learned when he gets back. We want to be able to equip people with more knowledge on this topic, as it is crucial to know.

At Aramjoo Law Firm, we believe in giving back to the community. One way we would like to do this is by offering a *New Beginnings Scholarship*. Visit our website at www.LibertyInjuryLawyers.com to learn more information about the scholarship and how to apply.

Quote of the Month

Go confidently in the direction of your dreams.
- Henry Thoreau

Events

Historic Downtown Liberty is hosting a Business Financial Planning Workshop on May 11th at 8:30am. This is a great opportunity to learn tips on taxes, planning, budgeting and more! Register at the link below.
