March Newsletter

Spring is coming! Although it has been a rather mild winter, we can all agree we are ready. The first official day of spring is in just a few days on March 20th. Everybody get ready to get back outside, head to some parks, or even start a garden. This month at the firm, we designed some neat frisbees. These will be perfect to play with your kids or pets all spring and summer. Follow us on Facebook to see the design and get updated when they arrive, so you can stop by the office to pick up a free frisbee.

As the weather gets nicer, there will also be more motorcycle riders out on the road. At Aramjoo Law Firm, we are dedicated to protect and make the roads safer for these drivers. Paemon Aramjoo is currently training to be a motorcycle safety course instructor. We are proud of his desire to train hard and learn this information to teach people in the future.

If you have not had a chance to visit our website you can find it at www.LibertyInjuryLawyers.com. We are consistently working on taking steps to make sure the client experience we provide is second to none.
