Meet Amanda!

Amanda is the newest member of the Aramjoo Team!

Amanda is our Client Service Consultant Specialist.

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Education from Missouri Western State University. Before joining the firm, she spent 14 years in Marketing and Community Relations, where she developed a strong foundation of communication and organizational skills. Her favorite part about working as a Client Service Consultant Specialist is listening to clients' experiences and finding out how we can help them.

When Amanda is not in the office, she enjoys traveling, spending time with family, and trying out new recipes!

June Safety Tips: Summer Travel & Family Road Trips

As families hit the road for summer vacations, taking a few extra precautions can help prevent accidents and ensure everyone arrives safely at their destination. Whether you're heading to the beach, visiting relatives, or exploring a national park, keep these important safety tips in mind:

Before You Leave

Inspect Your Vehicle

- Check tire pressure and tread depth.
- Test brakes, headlights, taillights, and turn signals.
- Verify that the windshield wipers and fluid are in good condition.
- Ensure oil, coolant, and other fluids are topped off.

Prepare an Emergency Kit

Pack essentials such as:

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

- Flashlight and extra batteries
- Bottled water and nonperishable snacks
- Phone charger or power bank
- Jumper cables
- Basic tools and roadside assistance information

Safe Driving Practices

Avoid Distracted Driving

Put phones away while driving and designate a passenger to handle navigation, calls, or messages when possible.

Buckle Up Every Time

Make sure all passengers wear seat belts and that children are secured in properly installed, age-appropriate car seats or booster seats.

Plan for Rest Breaks

Long drives can lead to fatigue. Schedule breaks every two to three hours to stretch, hydrate, and stay alert.

Never Drive Under the Influence

Alcohol, drugs, and certain medications can impair judgment and reaction time. Always arrange for a sober driver.

Traveling with Children

Keep Kids Entertained

Bring books, games, music, and other activities to reduce distractions for the driver.

Stay Hydrated

Summer temperatures can rise quickly. Keep plenty of water available and encourage children to drink regularly.

Never Leave Children or Pets in a Vehicle

Even with windows cracked, temperatures inside a parked car can become

Summer Weather Awareness

Watch the Forecast

Check weather conditions before and during your trip. Severe storms, flooding, and extreme heat can create hazardous driving conditions.

Slow Down in Bad Weather

Reduce speed and increase following distance during rain, high winds, or reduced visibility.

Share Your Travel Plans

Let a trusted friend or family member know your route and expected arrival time, especially for longer trips. Keeping others informed can be helpful in the event of an emergency.

If an Accident Occurs

If you are involved in a collision:

1. Move to a safe location if possible.
2. Call the police to the scene.
3. Exchange information with all involved parties.
4. Take photographs of the scene, vehicles, and any visible injuries.
5. Seek medical attention, even if injuries seem minor.
6. Seek counsel from a trusted Personal Injury Attorney.

A little preparation can go a long way toward making summer travel safer and more enjoyable. From everyone at our firm, we wish you and your family a safe, happy, and memorable summer season.

Tip of the Month...

Consult a Lawyer Early: Get legal advice as soon as possible after the injury.

"Failure will never overtake me
if my determination to succeed
is strong enough." – Og
Mandino
